The first step in criminal procedure is for the defendant to be arrested by the police. In California, the police may arrest a person: for a misdemeanor crime if the police have probable cause and personally witnessed the crime occur in front of them or the police have a signed arrest warrant from a judge. for a felony crime if the police have probable cause that the person committed a felony, a statement from someone who witnessed the felony, or the police have a signed arrest warrant from ...

Unlike "generalist" textbooks, this text provides students with knowledge of the specific laws and procedures applicable in California. Written for use in California universities and colleges, paralegal schools, court reporter schools, police academies and other training programs, this text is ideal for students intending to assume a law enforcement or legal position within the California justice system. It covers California criminal law and procedure in considerable detail, imparting to the student a true understanding of these subjects. Detailed citations permit students to pursue further in-depth research. Upon graduation, students will find this text an excellent on-the-job reference.ALSO AVAILABLEINSTRUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDERInstructor's Manual, ISBN: 0-8273-7941-2

With its concise writing style, streamlined chapter format, abundance of checklists and forms, extensive references to leading and related cases, cross references to relevant analytical content, and authoritative guidance, you'll find more of everything that makes a practice guide valuable and easy for you to use. Topically organized, Matthew Bender Practice Guide California Criminal Law covers the entire process of a criminal trial in California, from the initial representation of a client through sentencing and post-sentencing procedures and much more. Each Practice Guide chapter combines authoritative legal analysis with an expert author's practical insights, distilled from years of litigation practice. California Criminal Law includes Practice Tips that transition smoothly from legal analysis to practical application of a point of law. Chapter parts begin with a detailed practice checklist defining the essentials of a major task. Checklists capture the essential steps (the what, when, and how) of each task, with cross-references to relevant authority, forms, and discussion of the topic within the chapter itself.

Widely known as the "crim law bible," this CEB classic answers virtually every question about criminal law practice in California.0
