This is a user-friendly and practical guide for UK practitioners and those managing UK firms on the day-to-day legal issues that arise in the specialist field of partnerships and LLPs. The book is written by three authors: a leading partnership and LLP barrister with many years of litigation experience, a solicitor with specialist expertise in partnership and LLP structures and agreements, and a respected academic in the field. It provides clear and practical guidance on the main issues that arise time and again in UK partnerships and LLPs. While there are many important differences between traditional partnerships and LLPs, the practical issues that they face are often similar, and the book therefore tackle both
