Card Payments | Product Help Centre

He took the next card and turned it over, saying 'E' as he did it - and the card was an ACE! He carried on with the letters T-W-O and as he said the 'O' he turned over the card and it was a TWO! He carried on with T-H-R-E-E, the FOUR and so on, and in each case as he said the last letter of the name he turned over the card and everyone was amazed that he had predicted what it would be.
