~~Carpentry and Joinery NVQ Level 2 — Get Your CSCS Card~~

The Carpentry and Joinery NVQ Level 3 Diploma is a much bigger qualification than a Level 2. If you equate the qualification with GCSE's the Level 2 is the "O" Level and Level 3 is at "A" Level. Our clients are very experienced trades and achieve the qualification by On Site Assessment and Training.

~~Carpentry and Joinery NVQ Level 3 Assessment — CSCS Gold Card~~

The 5 day level 1 unit-accreditation carpentry and joinery course is ideal if you are wanting to start a career in carpentry and eventually move on to gain your NVQ level 2 in Site Carpentry. No previous experience in carpentry is necessary. This is our 5 day carpentry course but you will undertake a CITB assessment during the course.

A resource for students, providing training in construction crafts. It covers the Craft Certificate requirements, giving information that students need to pass their exam. It features exam style multiple-choice assessment questions, which provide extra support for revision and exam preparation.

This second edition Student Book, fully covers the 2009 NVQ and Technical Certificate in Carpentry and Joinery, in a user-friendly style, engaging illustrations and a step-by-step approach to content.

This Student Book is endorsed by Construction Skills and produced in partnership with Carillion, the leading training provider in construction crafts, having been fully updated with the 2009 Technical Certificate Diploma specification and the latest NVQs.

New edition of the popular Carpentry and Joinery Level 2 Candidate Handbook from Heinemann, fully updated with new content and precisely aligned to the CAA Diploma specification, providing learners with the right tools for job.

Written by a team of highly experienced tradespeople and trainers from Carillion Training Centres, this book contains information that you need to make a success of your carpentry and joinery course at Level 2. It is presented in a visual, full-colour format and is suitable for the Technical Certificate, as well as S/NVQ Level 2.

Carpentry and Joinery 3 is the third in a series of three books, which together provide an authoritative and thoroughly practical guide to carpentry and joinery for students following City & Guilds and CITB courses, NVQ candidates, and students working towards an Institute of Carpenters qualification. This book is also ideal for a wide range of amateur and professional woodworkers. Volume 3 builds on the fundamental knowledge introduced in volume 1, and accompanies volume 2 with coverage of additional advanced topics and procedures, including working with particular door and window types. The reader is shown how to apply the basic theory introduced in volume 1 to actual carpentry and joinery practice in a highly illustrated, easily accessible text. This second edition has been fully updated in line with changes to the Building Regulations and current legislation, the third edition also incorporates developments in current best practice, with a comprehensive match to the latest qualifications in Wood Occupations. \* Completely restructured in new series style to provide a coherent, student-focused course \* Updated in line with the latest course requirements and Building Regulations \* Highly illustrated to show key techniques, tools, products and materials

This highly illustrated textbook is written to meet the needs of candidates studying for the NVQ levels 2 and 3 in Carpentry and Joinery, and other courses at this level. Each chapter covers a specific activity such as constructing stairs or windows and includes the selection of produced components, setting out, marking out, assembly and fixing. The book contains references to the companion volume by the same authors (Bench and Site Skills) and to the relevant regulations and standards. Together with Carpentry and Joinery: Bench and Site Skills this book will form an invaluable resource for students long after they qualify. Brian Porter and Reg Rose were both formerly lecturers at the Leeds College of Building. They are authors of several successful books on carpentry and joinery.

Written by best-selling author Peter Brett, this new full-colour edition has been fully updated to cover the revised carpentry and joinery qualifications.
