Forensics Professional*

The Certified Cyber
Forensics Professional
(CCFP) certification is
one of several
certifications offered by
the International
Information Systems

Online Library
Ccfp Certified
Security Certification
Consortium ((ISC) 2),
a leader in cybersecurity
and information
technology (IT)
management. (ISC) 2
offers the CCFP
certification to develop
professional leadership
in the growing field of
cyber forensics.

Overview of CCFP
Certification. The CCFP
certification was

Online Library Ccfp Certified

launched in 2013 and targets information technology and information systems professionals who analyze hardware and software in order to discover and capture evidence for a criminal or private investigation. Computer forensics specialists often work for law enforcement organizations, corporate
