Citizens, Consumers and the NHS ebook | Kortext.com

Are patients sufficiently involved? The NHS has less patient involvement than other European health systems. Demanding consumers can be informed participants. We need to solicit more complaints from poorer people. Otherwise we get a better service for the more vocal. Patient/doctor relationship is still crucial. Older people are less keen on choice.

NHS care is usually very good and most people don't have any problems. But occasionally things can go wrong. In some cases, you may be able to take legal action for clinical negligence but this page tells you more about other legal action you might be able to take. In most cases, making a ...

NHS problems - taking legal action - Citizens Advice

The NHS Constitution states that 'the NHS belongs to the people'; and the NHS Citizen programme aims to embody these principles. NHS Citizen believes that services shaped by people, (especially those with lived experience), are more likely to be needs-led and patient-centred, resulting in better outcomes.
