Civil Litigation is a thorough, up to date and practical introduction to the Civil Procedure Rules and the principles and tactics used in pursuing a civil case. The civil process has been divided into five stages, starting with pre-action considerations, moving on to examine the issue and service of proceedings, before considering interim matters, trial and enforcement.

CLP Legal Practice Guides

Civil Litigation introduces students to the processes and procedures involved in making and defending civil litigation claims. The text is ideal for students taking the Legal Practice Course or relevant LLB or LLM modules and features case studies on both a personal injury matter and a commercial matter, making it suitable for students with either a high street or a commercial focus.
