Presents one bible story for every Sunday of the year, which is paired with an activity suitable for small children which reinforces the moral or lesson appearing in each story.

Prepare to have your blood chilled and your nerves tingled ... This collection of eighteen short stories blurs the line between the real and unreal, and transports you to the misty world of the supernatural, where faceless phantoms linger and nothing is what it appears. What is the terrible secret of ☐The Doll's House☐? What horror lies behind ☐The Halloween Mask☐? And why is a whitewashed cottage called ☐The Fly House☐? David Stuart Davies, a modern master of the unsettling narrative, provides a feast of ghoulish, ghostly and gripping tales to keep you awake long after the lights are turned out.

When two children bring home a toy skeleton from the harvest fair, hanging it from a sycamore tree and naming it Fred McFee, strange things begin to happen, in a hauntingly hilarious Halloween tale. Reprint.

Sure to rattle nerves on dark and spooky nights, this collection of Tennessee ghost tales features stories based on actual reported events as well as those that sprung purely from the author's vivid imagination. For those who want to experience a touch of the unknown, these tales will deliver with chilling results.

The quintessential depiction of 1980s New York and the downtown scene from the artist, actor, musician, and composer John Lurie ☐Ferocious and wise, funny and tragic, raging and forgiving, and I loved every page.☐☐Nick Flynn, author of Another Bullshit Night in Suck City In the tornado that was downtown New York in the 1980s, John Lurie stood at the vortex. After founding the band The Lounge Lizards with his brother, Evan, in 1979, Lurie quickly became a centrifugal figure in the world of

Online Library Clacky Bones

outsider artists, cutting-edge filmmakers, and cultural rebels. Now Lurie vibrantly brings to life the whole wash of 1980s New York as he developed his artistic soul over the course of the decade and came into orbit with all the prominent artists of that time and place, including Andy Warhol, Debbie Harry, Boris Policeband, and, especially, Jean-Michel Basquiat, the enigmatic prodigy who spent a year sleeping on the floor of Lurie's East Third Street apartment. It may feel like Disney World now, but in *The History of Bones*, the East Village, through Lurie's clear-eyed reminiscence, comes to teeming, gritty life. The book is full of grime and frank humor—Lurie holds nothing back in this journey to one of the most significant moments in our cultural history, one whose reverberations are still strongly felt today. History may repeat itself, but the way downtown New York happened in the 1980s will never happen again. Luckily, through this beautiful memoir, we all have a front-row seat.

In a neighborhood known as the Bramble Patch, the Lyons family endures despite poverty, racism, and the ghoulish appetites of an underworld kingpin called the Barghest. As the years pass and the neighborhood falls into decay, along with the town that surrounds it, what's left of the Bramble Patch will learn the saying is true: These bones are gonna rise again.

Presents fifty Texas ghost stories, featuring tales that predate the state, with a focus on those with Hispanic roots; stories of the pioneers; and urban myths and contemporary tales; and includes advice on how to tell ghost stories, as well as notes on story sources.
