Alcohol use by young people is extremely dangerous - both to themselves and society at large. Underage alcohol use is associated with traffic fatalities, violence, unsafe sex, suicide, educational failure, and other problem behaviors that diminish the prospects of future success, as well as health risks "and the earlier teens start drinking, the greater the danger. Despite these serious concerns, the media continues to make drinking look attractive to youth, and it remains possible and even easy for teenagers to get access to alcohol. Why is this dangerous behavior so pervasive? What can be done to prevent it? What will work and who is responsible for making sure it happens? Reducing Underage Drinking addresses these questions and proposes a new way to combat underage alcohol use. It explores the ways in which may different individuals and groups contribute to the problem and how they can be enlisted to prevent it. Reducing Underage Drinking will serve as both a game plan and a call to arms for anyone with an investment in youth health and safety.

ONE OF AMAZON'S BEST BUSINESS BOOKS OF 2018 ONE OF THE FINANCIAL TIMES BUSINESS BOOKS OF THE MONTH ON RELEASE ONE OF BUSINESS INSIDER'S BEST BUSINESS BOOKS TO READ THIS SUMMER A guide to the early morning habits that boost your productivity and relax you—featuring interviews with leaders like Arianna Huffington, General Stanley McChrystal, Marie Kondo, and more. Marie Kondo performs a quick tidying ritual to quiet her mind before leaving the house. The president of Pixar and Walt Disney Animation Studios, Ed Catmull, mixes three shots of espresso with three scoops of cocoa powder and two sweeteners. Fitness expert Jillian Michaels doesn't set an alarm, because her five-year-old jolts her from sleep by jumping into bed for a cuddle every morning. Part instruction manual, part someone else's diary, the authors of My Morning Routine interviewed sixty-four of today's most successful people, including three-time Olympic gold medalist Rebecca Soni, Twitter cofounder Biz Stone, and General Stanley McChrystal—and offer timeless advice on creating a routine of your own. Some routines are all about early morning exercise and spartan living; others are more leisurely and self-indulgent. What they have in common is they don't feel like a chore. Once you land on the right routine, you'll look forward to waking up. This comprehensive guide will show you how to get into a routine that works for you so that you can develop the habits that move you forward. Just as a Jenga stack is only as sturdy as its foundational blocks, the choices we make throughout our day depend on the intentions we set in the morning. Like it or not, our morning habits form the stack that our whole day is built on. Whether you want to boost your productivity, implement a workout or meditation routine, or just learn to roll with the punches in the morning, this book has you covered.

A proven approach for helping leaders and teams work together to achieve better decisions, greater commitment, and stronger results More than ever, effective leadership requires us to work as a team, but many leaders struggle to get the results they need. When stakes are high, you can't get great results by just changing what you do. You also need to change how you think. Organizational psychologist and leadership consultant Roger Schwarz applies his 30+ years of experience working with leadership teams to reveal how leaders can drastically improve results by changing their individual and team mindset. Provides practical guidance to help teams increase decision quality, decrease implementation time, foster innovation, get commitment, reduce costs and increase trust Outlines 5 core values leadership teams can adopt to exponentially improve results Author of The Skilled Facilitator and The Skilled Facilitator Fieldbook Get the results you and your team need. Start by applying the practical wisdom of Smart Leaders, Smarter Teams.

Despite the difference in their populations and political status, New Caledonia and Papua New Guinea have comparable levels of economic dependence on the extraction and export of mineral resources. For this reason, the costs and benefits of large-scale mining projects for indigenous communities has been a major political issue in both jurisdictions, and one that has come to be negotiated through multiple channels at different levels of political organisation. The 'resource boom' that took place in the early years of the current century has only served to intensify the political contests and conflicts that surround the distribution of social, economic and environmental costs and benefits between community members and other 'stakeholders' in the large-scale mining industry. However, the mutual isolation of Anglophone and Francophone scholars has formed a barrier to systematic comparison of the relationship between large-scale mines and local-level politics in Papua New Guinea and New Caledonia, despite their geographical proximity. This collection of essays represents an effort to overcome this barrier, but is also intended as a major contribution to the growth of academic and political debate about the social impact of the large-scale mining industry in Melanesia and beyond.
