It's been more than thirty years since Werner Erhard issued his challenge to create a world that works. He said in 1977: "We can choose to be audacious enough to take responsibility for the entire human family. We can choose to make our love for the world be what our lives are really about. "Each of

us now has the opportunity, the privilege, to make a difference in creating a world that works for all of us.

~~A World That Works for Everyone? Why, That's Simple!~~

Create your world, and then push yourself to go deeper. The Harry Potter books are a great example: J.K. Rowling created an entire magical world, set within our own, each with its own government and laws. She pulled elements from classic mythology, such as a phoenix and centaurs, and invented myths of her own, like the story of the Elder Wand.
