2 The protection of vulnerable adults is a fast emerging area of work for local authorities, the NHS and other agencies.

Safeguarding Vulnerable Adults and the Law, sets this within a comprehensive legal framework. The relevant law and guidance is extensive. It includes

theft, fraud, sexual offences, data protection and the sharing of information. The book focuses on how these areas of law apply to vulnerable adults, and brings together an extensive body of case law to illustrate this.

Also covered is how local authorities and the NHS may themselves be implicated in the harm -

Cultural Issues in  
Criminal Defense  
discusses approaches to  
defending cultural  
issues. The cultural

issues are not limited to differences between people of different countries, however.

Cultural issues can arise within a country and amongst its people, within a means of collecting and investigating information, and within the way the society perceives the information. All of these

Judicial ethics is a surprisingly underexplored area and this volume marks an

important point in this relatively new but commendably growing field of studies. The areas covered range from the metaethics of decision and how this impacts the judiciary to the ethical evaluation of the substance and procedure of a decision and codes of judicial conduct. Addressing each of these meanings
