Manual  
Each experiment in this manual was selected to match topics in your textbook and includes an introduction, a procedure, a page of pre-lab exercises about the concepts the lab illustrates, and a report form. Some have a scenario that

# Read PDF Cu In Lab General

places the experiment in a real-world context. For this edition, minor updates have been made to the lab manual to address some safety concerns.

Prepared by John H. Nelson and Kenneth C. Kemp, both of the University of Nevada. This manual contains
