Counsels readers on the twelve insights that underlie the Buddha's core teachings, addressing such topics as mindfulness, suffering, the Buddha's Four Noble Truths, and the search for inner peace.

Why do we suffer? Is there a purpose to our pain? Noting that human beings have wrestled with such questions for thousands of years, Phillip Moffitt has found answers for his own life in Buddhist philosophy and meditation. Reflecting on his own journey from Esquire magazine editor-in-chief to Buddhist meditation teacher, Moffitt provides a fresh perspective on the Buddha's ancient wisdom, showing how to move from suffering to new awareness and unanticipated joy. In this deeply spiritual book that is sure to become a Buddhist classic, Moffitt explores the twelve insights that underlie the Buddha's core teaching--the Four Noble Truths--and uses these often neglected ideas to guide readers to a more meaningful relationship to suffering. Moffitt write: "These twelve insights teach you to dance with both the joy and pain, finding peace in a balanced mind and calm spirit. As the most specific, practical life instructions I have ever encountered, they serve as an invaluable tool for anyone who seeks a life filled with meaning and well-being." Practicing these twelve insights, as Moffitt suggests, will help readers experience life's difficulties without being filled with stress and anguish, and they will enhance their moments of happiness. With engaging writing and a strong message of self-empowerment, *Dancing with Life* offers a prescriptive path for finding joy and peace that will appeal to meditation students and readers of "Dharma Wisdom," Moffitt's column in *Yoga Journal*, as well as anyone searching for a more authentic life.

Candace Cameron Bure has grown up before our eyes and we've watched as she's balanced life in Hollywood with her faith for many years. But that all reached new heights when she was given the opportunity to join the cast of *Dancing With the Stars*. Being on the show was one of her dreams come true; and with that dream came the opportunity to display her Christian faith in front of millions of people, through an intense season of stretching beyond her limits, and to run the race God gave her with joy and perseverance. Join Candace as she reflects on the self-discovery that came through leaping out of her comfort zone. Go behind the scenes and experience the highs and lows, the roadblocks, and the personal victories. Hear straight from her heart on tough lessons learned about grace, rejection, perfectionism, disappointment, accountability, dealing with criticism, and more. Through God's strength, and with the help of endless support from her family and friends, see how Candace stayed true to herself and publicly lived out her faith in Christ all the way to the finale. How do you stand with conviction in your world? Where does your courage come from when faced with challenges? How do you live out your faith on a daily basis despite opposition? Your stage probably isn't in Hollywood and the challenges you are facing may not be on live television, but they are no less real. Come along with Candace as she shares how she found the courage to stand with conviction on one of the largest platforms of her life.

An account of people in formerly Communist countries holding fast to their former lives.

More than a self-development book for hardworking women, this guide is a catalyst for balancing the way they work and live. It helps women create clarity about dancing to their own tunes while maintaining balance between work and life.

When Kent Nerburn received a letter from Jennifer, a young woman questioning her calling to spend her life in the arts, the writer and artist was struck by how closely her questions mirrored the doubts and yearnings of his own youth. Nerburn resolved that he would write his own letter: a letter of welcome and encouragement to all young artists setting out on the same strange and magical journey, sharing the wisdom of a life spent working in the arts. From struggles with money and the bitterness of rejection, to spiritual questions of inspiration and authenticity, *Dancing With the Gods* offers insight, solace and courage to help young artists on the winding road to artistic fulfillment. Tender and joyous, it is a celebration of art's power to transform the darkest of human experience and give voice to the grandest of human hopes.

Live your life to the fullest In *Dancing through Life*, Allen Brown offers his unique perspective: All life starts with the question Wouldn't it be great if . . .? Allen believes that a true, authentic life begins with this simple question because it signals an awakening to the possibility of

more. We can be more than we think we are, and we can do more than we think we're capable of doing. And the sense of wonder and possibility contained in Wouldn't it be great if . . .? isn't just for the young. It's for everyone! This book will inspire you to start living the lives you've always wanted to live. The author offers his advice on such topics as— • trusting your intuition • broadening your horizons and getting out of your comfort zone • understanding the power of your own thoughts • adopting a growth mind-set • setting and achieving goals An entrepreneur and self-made millionaire, Allen became an amateur ballroom dancing champion in his mid-eighties. Through the insight he provides in Dancing through Life, you will be reminded that if the music is playing, you should be dancing. We only have one life, and we should live it with gusto!

"Five, six, seven, eight!" Defines the life of actress, dancer, choreographer, and director Miriam Nelson. Miriam's life reads like a 1930's musical. While still in her twenties, she appeared in six Broadway shows. On the day she moved to Los Angeles, Miriam ran into old friend Billy Daniels from New York who took her to lunch at Paramount. During lunch, Miriam ran into another New York friend, Paramount president Buddy de Sylva, who hired her on the spot for Lady in the Dark starring Ginger Rogers. Miriam has been dancing with the stars ever since! Nelson has tapped and chasséd with countless stars, including Julie Andrews, Ingrid Bergman, Doris Day, Judy Garland, Bette Davis, Bing Crosby, Gene Kelly, John Travolta and Billy Bob Thornton. Miriam was there for the opening day at Disneyland - Walt Disney hired her to choreograph dance numbers around the Park, including the famous Golden Horseshoe Revue. Miriam's career spans both the famous and infamous eras of stage, screen, and television. Encouraged by friends and family to recall her special "behind the scenes" moments, Miriam sorted through memories, scrapbooks and mountains of photographs to enable readers to share the excitement and anticipation, the joy and the sorrow that chronicled her extraordinary life. Fortunately, for those who love to dance and those who love to watch dance, Miriam Nelson remains an exciting part of the professional American dance scene. "You're a darling girl, Miriam, and I love you for all that you did. God bless you always, your dear friend," - Busby Berkley
