The Unicorn Chronicles is a magical series for young adults, particularly YA girls. The third book in the series, Dark Whispers, is long, exciting and offers a great twist at the end. Readers will...

The Unicorn Chronicles #3 :: Dark Whispers Book Review

Seeking to unravel the secret of the long enmity between unicorns and delvers, Cara travels through a strange underground world to the court of the centaur king, while on Earth, Beloved and her hunters make final plans to jump to the fantasy land of Luster and drive the unicorns to extinction.

Dark whispers (2008 edition) | Open Library

Praise for the print version of Dark Whispers: "The long-awaited third volume in the Unicorn Chronicles series is longer, darker, and more complex than the previous stories. . . . The pacing is furious as Coville propels his multiple plotlines to a riveting, cliff-hanging conclusion. Readers will scream for book four."

But the price for that story may prove to be more than her heart can bear.

Get Dark Whispers (Unicorn Chronicles, #3) - Unlimited ...

We love the Unicorn Chronicles books. We read the first one so long ago, & waited patiently for the 2nd book, then reread them as we waited for the 3rd, & did the same while waiting for the 4th. The 3rd book in the series is a little darker, a little more violent, but gives so much background to the story & sets up the final book.

Amazon.com: Customer reviews: The Unicorn Chronicles #3 ...

August 30, 2020. woodpeckerbooks. This is a review of Dark Whispers by Bruce Coville. This third volume of the Unicorn Chronicles brings a compelling plot, multiple points of view, and a desire for truth to the upper middle grade genre. Book Review: Dark Whispers – The Unicorn Chronicles vol. 3.

Review - Dark Whispers | Woodpecker Books

Dark Whispers is the third book in the four book Unicorn Chronicles series, and as seems to happen to Coville in the third book in four book series, it is something of a let down. This seems similar to the let down that took place in The Search for Snout, the third volume in Coville's four book Alien Adventures series.

Cara travels through an underground world to the court of the centaur king as she tries to discover the secret of the enmity between unicorns and delvers, while on Earth, Beloved and her hunters make plans to destroy the unicorns.

Having jumped into the fantasy land of Luster, Cara joins Lightfoot the unicorn in the search for Queen Arabella Skydancer.

Having jumped into Luster, the land of unicorns, Cara makes a perilous journey to bring back her grandmother, The Wanderer, in order to release the Queen of the unicorns and allow her to die.

A collections of stories, poems and folklore from a variety of sources about the origins and unique characteristics of the unicorn.

As Beloved and her Hunters begin the final hunt for the unicorns by ripping through the Axis Mundi into Luster, the magical world begins to collapse from the wound and Cara seeks the help of Graumag the dragon and other friends across Luster for a final and decisive confrontation with the Hunters.

Beyond the mist lies a magical secret waiting to be discovered . . . From Epic! Originals, Unicorn Island is a middle-grade illustrated novel series about a young girl who discovers a mysterious island full of mythical beasts and darker dangers! When Sam arrives in Foggy Harbor, population 3,230, all she can see is a small, boring town that's way too far from home. And knowing that she's stuck there all summer with her grumpy Uncle Mitch only makes things worse. But when Sam discovers a hidden trapdoor leading to a room full of strange artifacts, she realizes Foggy Harbor isn't as sleepy as it seems. With the

help of a new friend, Sam discovers an extraordinary secret beyond the fog: an island of unicorns whose fates are intertwined with hers.

"Think you know Rapunzel's story? Think again, because the tower was only the beginning..." -- Jennifer Nielsen, New York Times bestselling author of *THE FALSE PRINCE* In all of Tyme, from the Redlands to the Grey, no one is as lucky as Rapunzel. She lives in a magic tower that obeys her every wish; she reads wonderful books starring herself as the heroine; her hair is the longest, most glorious thing in the world. And she knows this because Witch tells her so---her beloved Witch, who protects her from evil princes, the dangerous ground under the tower, even unhappy thoughts. Rapunzel can't imagine any other life. Then a thief named Jack climbs into her room to steal one of her enchanted roses. He's the first person Rapunzel's ever met who isn't completely charmed by her (well, the first person she's met at all, really), and he is infuriating-- especially when he hints that Witch isn't telling her the whole truth. Driven by anger at Jack and her own nameless fears, Rapunzel descends to the ground for the first time, and finds a world filled with more peril than Witch promised ... and more beauty, wonder, and adventure than she could have dreamed.

Cole Randolph was just trying to have a fun time with his friends on Halloween (and maybe get to know Jenna Hunt a little better). But when he and his friends break into a spooky house with the scariest rep in town, it turns out to be the start of an adventure on a whole different level! As his friends are mysteriously sucked away into another realm, Cole dives in after them and finds himself in a magical place called The Outskirts. Made up of five kingdoms, The Outskirts lie between wakefulness and dreaming, reality and imagination, between life and death. It's an in-between place. And once you find your way to the Outskirts, it's very hard to leave...

In the ancient moors of Scotland, the king of Calidon lies on his deathbed, cursed by a ring that cannot be removed from his finger. When a mysterious fey stranger appears to save the king, he also carries a secret that could tear the royal family apart. The kingdom's only hope will lie with two young men raised worlds apart. Aric is the beloved heir to the throne of Calidon; Albaric is clearly of noble origin yet strangely out of place. *The Oddling Prince* is a tale of brothers whose love and loyalty to each other is such that it defies impending warfare, sundering seas, fated hatred, and the very course of time itself. In her long-awaited new fantasy novel, Nancy Springer (the Books of Isle series) explores the darkness of the human heart as well as its unceasing capacity for love.

Hair today, gone tomorrow... After a tough day at school, I am NOT in a good mood. The perfect pick-me-up? A trip through our magic mirror! When my brother and I -- plus our new dog -- end up in the story of Rapunzel, we can't resist climbing her hair. Oh no! Her smooth locks suddenly look like they've been attacked by a cheese grater. Maybe a trim will help... Snip, snip. SNIP. Oops. Now Rapunzel's hair is too short and we're trapped! So we have to: - Find the tower's secret door - Avoid getting swallowed by a giant spider - Locate Pickles (aka the prince) - Reunite Rapunzel with her parents If we don't untangle this knotty tale soon, we could be stuck in this mess for good!
