Dating tips for men - The Telegraph

One of the dating tips for women we hear a lot is not to let a man know you like him, or to play hard to get. Well, that's just wrong. Sure, a little mystery may be sexy in the beginning, but the game gets old fast. Even research shows that playing too much hard-to-get makes others like you less. At a certain point, you just have to let the man know you're interested. 12. Be the date that ...

Tips for handling rejection when dating and looking for love Don't take it personally. If you're rejected after one or a few dates, the other person is likely only rejecting you for superficial reasons you have no control over—some people just prefer blondes to brunettes, chatty people to quiet ones—or because they are unable to overcome their own issues.
