Demon Oil Heater Manual - backpacker.com.hr
USE ONLY DOMESTIC HEATING OIL OR HOME Your 'DEMON' should now burn quite evenly. According to conditions prevailing in some cases the regulator may be closed fully. If when the regulator is fully closed, there is a surge of flame from the top stack, or the unit is too hot, place damper (provided with unit) over top of stack. This will eliminate all surges and reduce heat. TO EXTINGUISH ...
