Demons And How To Deal With Them

Ben Brown rejected a three-year deal from North Melbourne earlier this year and is now trying to get to the Demons following a difficult season and the Kangaroos wanting to go in a different ...

Last month, I was living out of my car. Now, I'm couch-surfing in Brooklyn. It's about as glamorous as it sounds. All I've got are some bad memories, an empty bank account, and a pigeon I named Hendrix. So, when a mysterious, sinfully hot man offers me a deal, I have no choice but to accept. I'll pretend to be his live-in girlfriend for a month. In exchange, he'll give me a job at his exclusive club in Hell's Kitchen. Only problem is, there's way more to Asmodeus than meets the eye. He's a literal demon. Like, from the underworld. He's rude, dangerous, and probably a killer. But if I break my deal with him, I'll lose my soul. Fortunately, it's just a month. A month of heated stares and fake kisses that feel all too real. My soul-and my body-can totally survive this...right?

I hunt demons. I don't work for them. And I promised my mom one thing before she was murdered: Under no circumstances, would I ever go near the high demons. But I'll break that promise over and over again if it helps me avenge her death. When my only lead turns to ash in the middle of demon territory, I'm suddenly a dead witch walking. Violence in Samael's club is an automatic death sentence... unless he can use you. And it turns out that the most powerful demon in the country has a use for little ol' me. Demons are being slaughtered. His demons. And as a bounty hunter, it's up to me to find out who would dare hurt his people. I've got two weeks to find the killer, and if I fail, I'm bonded to Samael. Forever. Samael's certain that I'll be his, but I'm not the kinda girl who risks her freedom for a demon. I'm the kinda girl who won't let anyone get in the way of her vengeance-- not even the Machiavellian control freak who thinks he can run my life. The problem? I've pissed the wrong people off. Now I'm the one being hunted, and someone's coming for me with everything they have. But I'm never more dangerous than when my back is up against the wall. And I'm ready to come out swinging. If you like K.F Breene, Ilona Andrews, Patricia Briggs, Faith Hunter, Laurell K. Hamilton, Jennifer Estep, Shannon Mayer, Kim Harrison, and Dannika Dark, you'll love this series. Some deals can ' t be broken. According to the family curse, Tessa has until her next birthday to select her future husband. However, choosing would mean his premature death. Unwilling to condemn any man to that fate, Tessa searches for an explanation behind the curse and the rules that dictate her life. What she learns is more terrifying than she could have imagined. A demon brokered a deal with her ancestor in exchange for a companion, and he's come to collect. Tessa has a choice to make. Pay the debt or condemn a man to death. Her time to decide is running out, and as she ' s learned, breaking the family rules always has consequences.
