Meaning of Detailed Project Report (DPR): As the identification and intention for the implementation of the project grow, the depth of the study for the probable project increases. Further analyses of the details relevant to such a project become imperative.

~~Detailed Project Report (DPR) | Project Management~~

A detailed Project Report is an essential component of the project. It should be prepared carefully. Before finalising the DPR, importance should be given to carry out proper surveys, investigations and designs. Sufficient details should be included to ensure proper appraisal, approval, and implementation of the project in time.
