This book arises out of the second Anglo-German Law Conference in Oxford,held under the auspices of the Oxford Law Faculty and with the support of two leading law firms. The law regarding takeovers has recently taken on a new dimension in Europe, and nowhere more so than in England and Germany. These two jurisdictions have had to consider a number of issues, including the ramifications of the Vodafone/Mannesmann takeover, the proposed Takeover Act in Germany, and the impact of the Financial Services and Markets Act 2000 in England. This collection examines the law regarding takeovers in England and Germany, taking account of these new developments, among others. It also deals specifically with the issues arising from cross-border mergers between the two jurisdictions. This collection will be indispensable to practising lawyers and in-house counsel whose practice touches on Anglo-German business affairs. It will also be of real interest to legal academics in this field.

Every person has a story, a personal narrative that informs their life, their decisions, and their way of thinking. But did you know that it also affects the wiring of your brain? Renowned psychiatrist and professor at Harvard Medical School John Sharp, M.D., offers an eight-step process to discovering your unconscious narrative and using your new insight to eradicate the "false truth" that has been at the core of your self-sabotage. His unique approach integrates four core domains of applied psychology—control mastery theory, attachment theory, narrative therapy, and positive psychology—with his own research and professional experience to construct an insightful and soul-searching path to insight. Throughout his step-by-step process, Dr.Sharp provides: · The " Sharp Focus " to distill and emphasize important concepts · Quizzes to help you analyze your internal and external tendencies · " First Impressions " case studies from his professional practice · Awareness, insight, change, and narrative tools to facilitate your transformation · " Gut Checks " to help you figure out if you are ready to move on to the next step in the process Dr. Sharp ' s approach is simple and accessible, with the power to wield profound results. Through exercises, quizzes, thorough exploration of case studies, and clear guidance, you will be able to find your false truth, rewrite your story, and transform your life. Once you have flipped the switch of insight, nothing can hold back the light that shines from within.

From New York TimesBestseller Mimi Jean Pamfiloff comes SMART TASS, a new Romantic Comedy. He's the hot college quarterback all the girls want.She's the smart girl he loves to pick on.And now that they're all grown up, things are about to get geekin' ugly. My name is Tass. I'm smart, I'm driven, and I am determined not to let prankster Hunter Johnson continue raining on my parade. When we were little, he'd pull my hair and call me names. When we were teenagers, he'd throw food and tease me for being a flat-chested virgin. But now that we've ended up at the same college, he's out of his hot head if he thinks he can keep messing with my life. It's like he's fixated on me or something. Well, guess what, Mr. Amazeefootball? I'm not that geeky little girl anymore and you do not screw with a smart woman. So what's my plan? It's definitely wild, and he's about to find out.

A thousand years before the Winter War, Elgo, prince of the Vanadurin, killed the Dragon Sleeth and returned home with the fabulous wealth from the dead beast ' s lair. But there was more in the bounty than gems and gold, for the treasure was cursed, and in time it brought death to noble and peasant, war between Man and Dwarf, strife and destruction beyond reckoning. Now, generations later, as the conflict continues, the great Dragon Black Kalgalath, in league with the Wizard Andrak, appears to avenge Sleeth ' s death and claim the Dragon-cursed hoard. Against this unholy alliance, two sworn enemies set forth to find a legendary long-lost weapon: a warhammer of incalculable power that may be the only hope of victory. But neither the Warrior Maiden Elyn nor the Dwarf Thork is prepared for the dangers awaiting them on this quest....
