The big skeleton and the little skeleton are being chased by dinosaurs... in their dreams! Luckily dogs can dream too - and save the day! Classic Funnybones spin-off read with love and silly voices!

### *Dinosaur Dreams - Give Us A Story!*

Dinosaurs in dreams are a symbol of the past. They are also representative of how the past moves into the present. This is especially valid when issues and problems from the past have the tendency to return and feature in one's dream. Not dealing with an issue in the present can be later reflected in the appearance of dinosaurs in your dreams.
