Halle

Karina Halle has done an exceptional job in portraying a gritty and quite disturbing plot that focuses around the Mexican drug cartel. Dirty Angels isn't my darkest read by a long shot, but one that is still thought provoking and a little gruesome in places, that just gets my heart pounding, my blood pumping and my book lovin' soul buzzin!'

The subject matter in this book is most certainly not for those looking for something light nor is it for the faint of heart. Luckily, I am neither. I couldn't put the book down. Karina Halle has a way with words. Every story of hers that I have read stays with me long after I put it down. And Dirty Angels will be no different.
