Drug Legalization For And Against

17 Main Pros and Cons of Drug Legalization - theNextFind.Com

AGAINST Legalising Drugs. 1. PERSONAL FREEDOM. If they are not harming other people, the government has no right to restrict what consenting adults do in their personal lives. It is the right of every individual to decide whether to take drugs. The taking of drugs is a "victimless crime" where only the user is taking any risk.

Arguments for and against legalising drugs - Debating Europe

Douglas Husak and Peter de Marneffe, The Legalization of Drugs. For & Against. Cambridge University Press, 2005, 204pp., \$18.99 (pbk), ISBN 0521546869. In the United States the production, distribution and use of marijuana, heroin, and cocaine are crimes subjecting the offender to imprisonment. The Legalization of Drugs, appearing in the series "For and Against" edited by R. G. Frey for Cambridge University Press, raises the seldom-asked philosophical question of the justification, if any ...

The Arguments For And Against Marijuana Legalization In ...

The economic argument for drug legalization says: legalize drugs, and generate tax income. This argument is gaining favour, as national administrations seek new sources of revenue during the current economic crisis. This legalize and tax argument is un-ethical and uneconomical.

Arguments for and against drug prohibition - Wikipedia

In general, legalisation is meant to indicate that the supply and possession of currently illegal drugs, should be legally controlled in the same way that alcohol or tobacco are controlled in most countries. Decriminalisation is often meant to indicate a half-way house' between legalisation and prohibition - in that, for example, possession of drugs for personal use would not be a criminal offence, but might be the equivalent of getting a parking ticket.

Legalisation - DrugWise

Biden, who is against legalization and used to believe that pot was a gateway drug, now thinks the country should give consumers the benefit of the doubt. Only he wants them to continue answering to their indiscretions to some degree, like attending mandatory drug rehab if they are caught.

Drug Decriminalization Vs. Legalization — Here's The ...

The legalization or decriminalization of drugs would make harmful, psychoactive, and addictive substances affordable, available, convenient, and marketable. It would expand the use of drugs. It would remove the social stigma attached to illicit drug use, and would send a message of tolerance for drug use, especially to youth.

Drug Watch International - Against Legalization or ...

July 1, 2015. Pros and Cons. The debate over the legalization of the use and purchase of drugs has been ongoing for years now with opponents and proponents expressing their points of view. In the United States, the percentage of people in favor of legalizing the use of marijuana rose from a mere 32% to 53% in the last nine years, according to the last conducted survey.

6 Profound Pros and Cons of Legalizing Drugs | NYLN.org

The Argument against Drug Prohibition - The failure of prohibition to prevent consumption of illicit drugs shows that existing policies do not work. It would be preferable to use the money saved by ending prohibition to provide more drug rehabilitation centres and more drug education.
