Essential Science

for Teachers: Earth

and Space Science

is a content course

designed to help

K-6 teachers

enhance their

understandings of

“ big ideas ” in Earth

and Space Science.

This course is

composed of eight

Read Book

Earth And

Space Science
Teacher's Guide

sessions, each with a one-hour video program addressing a topic area in Earth and Space science that emphasizes the science content that is likely to be part of any elementary school science curriculum.
