Young or old, rich or poor, Hindu or Muslim, all unite at one platform; it's the India Book of Re-cords 2021. The year 2021 can be called the year of record making as more records are created and even more

records are attempted than any other year in the past, leading to the breaking of our own boundaries to present you a bigger and thicker India Book of Records 2020. Arguably this is the biggest national book of records ever produced by any country, which in itself can be called a record. Truly, Indians create more re-cords than anyone else on the planet. While many of the Indian record holders achieved a place in Asia Book of Records and World Record Union, more than 50 Indian re-cord holders featured in a platform created by the initiative of three countries that produce the India Book of Records, Viet-nam Book of Records and Indonesia Book of Records to showcase the top record holders at the global stage. As you are holding 'India Book of Records 2021', surely some of the records will inspire you to challenge yourself to create a record and see your name in India Book of Records 2021.

By the time Geronimo tore himself away from The Rodent's Gazette all the good trips were booked. He ends up in a flea-ridden old hotel, sharing a room with Gerbil Scouts! Includes colorful illustrations, a Geronimo profile, a book preview and maps of Geronimo's world.

Innocent until proven guilty? Not here you're not. Robbed of his childhood, this is one boy's experience of the supposed war on terror. Khalid, a fifteen-year-old Muslim boy from England, is abducted from Pakistan while on holiday with his family. He is taken to Guantanamo Bay and held without charge, where his hopes and dreams are crushed under the cruelest of circumstances. An innocent denied his freedom at a time when most boys are finding theirs, Khalid tries and fails to understand what's happening to him.

Captured by the Comanches at the age of nine, Helen dreams of escape for more than fourteen years yet, when the time comes to choose freedom she discovers no choice exists as she has become absorbed in the Comanche culture.

With a vibrant, fresh style Suzanne Woods Fisher brings readers into the world of a young Amish woman torn between following the man she loves--or joining the community of faith that sustains her, even as she questions some of the decisions of her elders. Her choice begins a torrent of change for her and her family, including a marriage of convenience to silent Daniel Miller. Both bring broken hearts into their arrangement--and secrets that have been held too long. Filled with gentle romance, The Choice

opens the world of the Amish--their strong communities, their simple life, and their willingness to put each other first.

'Must-read... A funny yet tragic tale of a husband and wife's car journey across the US with Albert the alligator in tow. Yes, really.' Marie Claire A journey of a thousand miles. With an alligator on the back seat. And John Steinbeck as a passenger. This is a tale where everything is true, except the bits that are made up.

Risé was born into a family of chaos and abuse. Her alcoholic mother raged and beat her and her siblings, knocking their heads against the living room walls while telling them how worthless they were. Then layer on a father and brother who molested a teenage Risé, add a cockroach-infested house filled with drinking, drugs, and sex and imagine how it felt to be a young girl trying to survive. Yet even as a young child, Risé felt like there was a life beyond what she experienced with her family. And on some level, her mother also knew that Risé was not meant to be written into the family's tragedies she named her after the opera star Risë Stevens. As it turned out, Risé's very salvation was embedded in this name. Risé was able to rise above all the things happening around and to her. Because of this ability to rise, she was able to escape the weight of her family, and learned to love and believe in herself.
