Do you have an English or ESL grammar test coming up? Are you constantly asking others to check your writing for grammar errors? Do you currently or are you planning to teach ESL grammar? This book can be helpful for: * ESL learners * English speakers whose writing contains grammar errors * Anyone planning to teach ESL who wants a brief overview of English grammar concepts Perhaps you've never learned the basics of English grammar. Whether you have an upcoming test, need to review the basics, or are just tired of making the same grammar mistakes, this grammar reference and workbook can help you review basic grammar concepts quickly. Whether English is your second language, or you just need a refresher on what's grammatically acceptable, and what's not, this book provides simple, easy to understand ESL grammar rules along with tons of English grammar exercises to practice what you've learned. Perhaps you've forgotten the parts of speech and need to know exactly how nouns, verbs, adjectives and subjects function in a sentence. Perhaps you're having trouble with the English tenses. Among other topics, this book covers the most commonly used English tenses: Past Simple, Future Simple, Present Simple and Present Continuous, how to correctly use the articles (a, an, the), and how to correctly use the apostrophe s ('s). Each chapter provides extremely easy to understand grammar rules, examples and then follow-up English grammar exercises to practice each rule. In the second part of each chapter, there are additional English grammar exercises, dialogues, conversation questions, and even a quiz at the end of each chapter to check your progress. You can easily check your answers for all English grammar exercises and tests since the answers are provided in the book as well. The format of the book is meant to help students review what they already know quickly, and spend more time on the grammar topics that are not well understood.

Are you new to the English language? Maybe you are a native speaker who wants to learn more about their language. Maybe you have decided that the English language is too complicated and that English grammar makes absolutely no sense. If any of these sounds like you, then you have picked up the one book that will answer all of your questions and help ease your fears about the English language and English grammar. When you first start learning any new language, or trying to learn more about the language you have been speaking all of your life, you will run into so much new information that it might be hard to take it all in. That is precisely why this book, English Grammar Rules You Must Know: Ultimate Grammar Writing and Speaking 101 Workbook for Beginners, Daily English for Friendly Conversation and Business Applications, Understanding Grammar to Avoid Errors that Make You Look Dumb is the one book that you want and the only one you will ever need to learn all you need to know about the English language. went through even more changes as the world began to change. The language was even further influenced by modern print and the beginning of the printed newspaper. In this book you will learn about the different parts of speech that make up English grammar. You will learn all about: Nouns and verbs Adjectives and adverbs Punctuation Synonyms and antonyms All of the different parts that make up English grammar have something to give to the language. Where the nouns and verbs make up the basis of the language, the adjectives and adverbs give it life and interest. And after you have learned all of the basic parts of speech and how to use them, you will see how easy it is to: Write sentences Compose paragraphs Assemble an entire essay There is also some discussion about the difference between casual speaking and writing and the more formal conversation and writing that would take place in school or in a place of business. It is important that you know how to use both kinds and that you are comfortable moving from one type to the other. While it is important to know the ways to speak and write properly, you do not want to do it all of the time. When you think of business writing most people think of proper usage of subjects and verbs, and you should expect to know how to use a proper manner of grammar. So keep hold of this book, as it is the only one you will ever need to answer all of your questions about the English language and English grammar. Buy this book now and get started on your new path to mastering the English language.
