Made in 1907, at the age of 15 years, during a stay in Paris. This work is less precise than his other sculptures, but still Art Nouveau. Erté considered this so minor and uninteresting that it does not appear in his official biography, but the cartouche on the back indicates 'ERTE PARIS 1907', in a triangle.

Shows Erte's abstract sculptures and polychromed bronze figurines, and shares the French artist's comments on his work

Perhaps no individual is more associated with the 20th century art deco revival than artist and designer, Erte. Although his talent spanned many fields, Erté is perhaps best-known for his fashion, jewellery and interior designs. Combining fresh and thoughtful text and beautiful illustrations, this coffee-table book is the definitive Erté companion.
