There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news. We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. How do we explain so much chaos? How do we live with such turmoil? And is there any hope for peace in our time? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. And in Escape the Coming Night, Dr. Jeremiah walks through the perfect Scripture for these uncertain times: The Book of Revelation. No one can deny that the world is in trouble. Tragedy stalks our streets. Violence and bloodshed fill the news. How do we explain so much chaos? Is there any hope for peace in our time? Dr. David Jeremiah's dramatic narrative on the Book of Revelation answers these and many more challenging questions, by unraveling the imagery and explaining the significance of the events described in the last book of the Bible. Within its pages are the hope and encouragement we need to lift us from the gloom of present events to the promise of a brilliant future.

Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? Never before have we read such jarring headlines, distressing news analyses, or dire predictions concerning the world's financial future. The American housing market -- or, more sentimentally, the American dream -- began to collapse in 2006, taking with it large chunks of the global financial system. Millions of jobs worldwide have vanished forever. Did Bible prophecy predict this catastrophe? Are there biblical clues to how soon, if ever, a viable, long-term recovery can be sustained? Is the financial collapse just one of several signs that we are living in the final days of Earth's history In THE COMING ECONOMIC ARMAGEDDON, David Jeremiah says we can know the meaning behind what we see in the daily news -- and understand and prepare for living in the New Global Economy.
