(Versione con illustrazioni a colori) Il mistero della vita oltre la morte comincia dove la conoscenza dell'uomo finisce, e pur trovandoci nel XXI secolo, la somma del nostro sapere, nonostante le nostre vanità, è ancora molto limitata e lo spazio per la fede in una vita eterna e proporzionalmente ampio. Sarebbe puerile pretendere di parlare di immortalità dell'anima, quando così poco si conosce di questa manifestazione extracorporea: come è semplicemente ridicolo non volerne nemmeno sentir parlare perché non è una cosa scientifica, come se la veste della scienza fosse la divisa sicura della sapienza. Existe un'altra dimensione? Il nostro destino è davvero già scritto? In questo volume sono riportate diverse testimonianze di fatti misteriosi realmente accaduti, messaggi che Maurizio, un ragazzo morto in un tragico incidente stradale, avrebbe voluto inviare alla sua famiglia per far sapere di esistere ancora, come tracce tangibili di una vita oltre la morte: segnali provenienti da quella dimensione chiamata "Aldilà," una frontiera sconosciuta che resterà per sempre inesplorata dall'uomo e un limite inviolabile da entrambe le parti. Affronteremo il suo viaggio nella vita ma soprattutto il suo percorso oltre la morte poiché in molti si sono detti pronti a giurare di averlo rivisto e sentito dopo la sua scomparsa. Destino, fede e scienza sono quindi i temi con i quali ci dovremo confrontare per poterci dare delle risposte e Maurizio ci metterà sulla giusta strada della riflessione per superare il concetto di "Fine."

This collection of tales opens up a magical world far from our customary haunts. Ghost stories, romances, fables, and heroic sagas: the forms are familiar, but the characters we meet surprise us at every turn. For those who know and love the tales of the Grimms and Andersen, the universal themes of fairy tale literature emerge in these classic stories, but with a sophistication that is uniquely Chinese and altogether entrancing. With black-and-white drawings throughout Part of the Pantheon Fairy Tale and Folklore Library

Hidden in the mountains of East Tennessee, an eleven-year old goes about the business of being a boy during the summer of 1970. Within a balance of terror and innocence, he bears silent witness to ghosts of the dead and the cruelties of a teenage killer while local justice plays out in a community carved from legacies of coal mining and religion.
