Ensure you are job-ready with the number one choice in the field -- Guffey/Lowey's ESSENTIALS OF BUSINESS COMMUNICATION, 11E. In a time when writing and communication skills rank high on recruiters' wish lists, this tried-and-true book helps you develop job-readiness for the 21st century. ESSENTIALS highlights best practices and strategies backed by leading-edge research to strengthen professionalism, expert writing techniques, workplace digital savvy and resume-building skills. Learn how writing is central to business success, regardless of the communication channel. ESSENTIALS discusses best practices for social media and mobile technology while equipping you with critical skills using grammar exercises, documents for editing and grammar practice other books don't offer. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ESSENTIALS OF BUSINESS COMMUNICATION, 9TH EDITION presents a streamlined approach to business communication that includes unparalleled resources and author support for instructors and students. ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Covering business communication skills, this text includes a grammar check, writing improvement exercises and cases which break down the writing process into simple components. E-mail, Web research, team and critical thinking exercises have also been added to this edition.

Readers refresh and strengthen language skills with proven grammar instruction and extensive learning resources found in BUSINESS ENGLISH, 12E by Mary Ellen Guffey and Carolyn Seefor. The market leader in grammar and mechanics since its first publication, BUSINESS ENGLISH uses a three-level approach to divide topics into manageable units that help readers hone the critical skills needed most. Packed with insights from the authors' more than 60 years of combined classroom experience, this edition helps readers develop the strong language skills necessary to perform confidently in today's digital classroom and tomorrow's workplace. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

From respected philosopher and writer Jonathan Wolff, this brief introduction to ethics stimulates independent thought, emphasizes real-world examples, and provides clear and engaging introductions to key moral theories and the thinkers behind them. The new Second Edition offers expanded coverage of moral reasoning, as well as two thoughtful and contemporary new chapters on applying moral philosophy and the ethics of race. A companion primary source collection, Readings in Moral Philosophy, amplifies issues discussed in the text, connecting them to problems in applied ethics.

A GUIDE TO CUSTOMER SERVICE SKILLS FOR THE SERVICE DESK PROFESSIONAL, the definitive service desk text now available in a fully revised fourth edition, teaches technical professionals the skills and work habits needed to successfully interact with customers and achieve job satisfaction. Each chapter describes a specific business skill, soft skill, or self-management skill required to deliver effective technical customer support while providing proven, how-to techniques for mastering that skill. Research and references have been updated in each chapter, and the latest ITIL vocabulary and concepts are reflected throughout the text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This softcover text centers on the communication skills necessary for conducting a successful job search or making a change in jobs. The ability to conduct research online, present a professional image, and communicate well with potential employers is critical to any job search. The workshops provided give instruction on how to create effective resumes and cover letters, search for job information, prepare for a successful interview, understand job expectations, and make a job change. Multimedia components enhance the impact of the workshops so users can complete a variety of exercises on the computer, watch video footage of people effectively communicating on the job, and use the Internet to conduct further research.

Designed as a grammar/mechanics text, this fast-paced, economical text/workbook develops proficiency in grammar, punctuation, usage, and style. With the assistance of Dean Elizabeth Tice at the University of Phoenix, co-authors Mary Ellen Guffey and Carolyn M. Seefor have produced an accelerated refresher course guide aimed at motivated students. Essentials of College English is a no-frills grammar/mechanical review that combines value with authoritative coverage.
