~~Digestive System Gizmo : Lesson Info : ExploreLearning~~

The Digestive System Gizmo provides a unique opportunity to apply engineering principles to a human organ system. In this Gizmo, students can assemble models of the digestive system from organs like the mouth, stomach, and colon. Models can be enhanced by adding accessory organs such as the pancreas which aid in chemical digestion. Students can then pass food through their system and evaluate its effectiveness in absorbing nutrients.

~~Gizmo of the Week: Digestive System | ExploreLearning~~
