Overview of Feminist Theology.
Feminist theology has developed both alongside and in dialogue with secular feminism. While the word “ feminism ” might suggest a comprehensive monolithic ideology or movement, it is more an umbrella term for many different feminism(s) that use differing methodologies, address different concerns, and advocate different views, some of which are mutually exclusive.

Feminist Theology. (religion,
spiritualism, and occult) It is safe to
say that the five major world religions
developed in the last four thousand
years (Hinduism, Buddhism, Judaism,
Christianity, and Islam) have been
founded, shaped, organized, defined,
