Ferguson FE35 (23c Diesel) Tractor Parts - OLD 20 Tractor ...

The Ferguson FE-35 was in production as the Ferguson and Massey-Harris companies merged into Massey Ferguson. The tractor began production in grey-and-gold paint with Ferguson badging. The paint changed to red and grey in late 1957 but the Ferguson decals remained. At some point between 1958 and 1960 the Ferguson name disappeared in favor of ...

Learn everything you need to know about the Ferguson MF 35 and TO35! Featuring step-by-step instructions for weekly checks, operator maintenance, engines, cooling and fuel systems, transmissions, brakes, hydraulics, and so much more, this user-friendly restoration service manual goes back to the basics, detailing a wide range of topics so you can understand your tractor machinery from the inside out! Also included are more than 650 photographs, helpful charts for service schedules, torques, data specs, tool lists, and troubleshooting, and even a buying guide! Author Chris Jaworski is a technical writer, Tractor & Machinery magazine and a restoration enthusiast. For owners involved in servicing, repairs, or restoration of the Massey Ferguson MF 35 or TO35, this crystal-clear guide will help you enjoy getting the work done quickly, efficiently, and correctly!

The little grey Fergie is Britain's best-loved tractor, the light user-friendly machine that finally replaced the horse on farms. This highly illustrated account covers the full history of Harry Ferguson's tractor products from his pioneering work before the 1930s to the merger with Massey in 1957. The author has had access to fresh archive material and has interviewed many of the surviving men who were associated with Ferguson. The appeal of the Fergie lay in its lightness and utility, and also in the system of mechanized farming of which it was a part. Throughout the book, reference is made to the implements which lay at the heart of the system. Stuart Gibbard has won "Tractor and Machinery" magazine's award for the best British tractor book five years running.
