The Art of the Sentence: Emphasizing the Fundamentals to Elevate Student Writing. When students walk into a room, they are likely to encounter some type of warm up like the following: read the prompt and write a paragraph. Now, they have to write. They must simultaneously remember key facts, decide which ideas are most important, consider spelling, grammar, and syntax in response to the prompt and length requirements— all while putting that into their own words.

interesting sentences and how to write a paragraph with a clear beginning, middle and end.

"This study was conducted in order to determine if there is a significant difference between the pre-test and post-test scores progress of students who participated in the Instructional Scaffolding teaching strategy, which utilizes rigor and relevance when teaching sentence writing versus the pre-test and post-test scores progress of those students who were instructed using the Learning Strategies Curriculum: Fundamentals in the Sentence Writing Strategy (Schumaker, 1998) in 7th Grade Communication Arts middle school."--[taken from abstract].

Good writers follow the rules. Great writers know the rules—and follow their instincts! Finding the right words, in the right order, matters—whether you’re a student embarking on an essay, a job applicant drafting your cover letter, an employee composing an email...even a (hopeful) lover writing a text. Do it wrong and you just might get an F, miss the interview, lose a client, or spoil your chance at a second date. Do it right, and the world is yours. In *Write to the Point*, accomplished author and literary critic Sam Leith kicks the age-old lists of dos and don’ts to the curb. Yes, he covers the nuts and bolts we need in order to be in complete command of the language: grammar, punctuation, parts of speech, and other subjects half-remembered from grade school. But for Leith, knowing not just the rules but also how and when to ignore them—developing an ear

for what works best in context is everything. In this master class, Leith teaches us a skill of paramount importance in this smartphone age, when we all carry a keyboard in our pockets: to write clearly and persuasively for any purpose—to write to the point. “Leith breaks down how to write anything for any occasion. Though the mission may seem like an ambitious undertaking, Leith is wildly successful . . . will morph even the most timid email-senders into confident writers.” —Booklist “A useful, persuasive guide to English usage.” —The Guardian
