Gender Equality in Action • Responsible Jewellery Council
The commercial imperative for realising women's potential in the workplace is clear: gender equality enhances employee engagement, boosts productivity, meets the diverse needs of customers and suppliers, and improves brand reputation.

Gender – Business in the Community
Apart from raising awareness of basic human and labour rights and relevant ILO conventions (such as C100 on equal Remuneration and C190) among employers and employees, we demonstrate how SRHR and gender equality issues such as maternal health, access to contraceptives, right to parental leave, and prevention of gender-based violence are critical to business operations and employee retention. This approach fosters a greater understanding of the business relevance of gender-sensitive policies ...
