This is an invaluable study guide and practice book for learning basic Japanese kanji. Learning Japanese Kanji Practice Book is intended for beginning students, or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 5 of the Japanese Language Proficiency Test. (JLPT). Characters that appear in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly indicated and practice boxes with strokes that can be traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the Kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Extra printable practice grids Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

This is a comprehensive, self-study workbook for learning Japanese characters. Mastering Japanese Kanji can help you greatly reduce the time and effort involved in learning to read Japanese and write Japanese. It does so by introducing a method that is both effective and easy to use in memorizing the meanings and pronunciations of Kanji—the array of characters that are used in the Japanese language to symbolize everything from abstract ideas to concrete nouns. Learning any of the kanji is a two step process, requiring that you remember both the visual aspect of a character (so you can recognize it when you see it) and the aural aspect (so you will know how to say and, thus, read it). The method employed by Mastering Japanese Kanji will show you how to tackle both of these aspects from the outset, and by so doing enable you to immediately get down to the practical (and fun!) business of recognizing and reading kanji on everything from street signs to newspapers. By the time you finish this book, in fact you will be able to boast of a Japanese vocabulary numbering in the thousands of words. Key features: Downloadable audio helps to reinforce the written material Teaches the 200 most common kanji and the hundreds of compounds that use include them. Unique, specially – designed drawings and entertaining stories help you learn more quickly. Sample sentences, along with common words and compounds, expand your vocabulary by showing each kanji used in context. Stroke – order diagrams show the correct way to write each chapter. Chapter and cumulative review exercises help ensure master of what you've learned. Complete indexes show Japanese readings and English meanings for all Kanji. Contents of the downloadable audio: Stroke order animations for all 200 kanji characters. Native speaker audio recordings of all: Kanji characters. Common words and compounds. Sample sentences.

This highly-visual book introduces an effective new method to learn over 1,000 Japanese kanji characters using visual stimuli and pictographs. Learning the

fundamental kanji characters used to write Japanese can be challenging, but this book is designed to speed up learning by presenting the 1,000 most common characters using a mnemonic approach. In a fun and accessible way to learn Japanese, each kanji is associated with memorable visual and verbal clues. For example, the Japanese character for person is superimposed over a sketch of a smiling man. The visual clue is "a person standing on two legs". By seeing the distinctive shape of the kanji, learners create a mental image of its meaning. Each character is presented as part of a group of characters which share similar traits. These groups use common root symbols known as radicals; they are also categorized by themes such as colors, numbers, animals, or body parts. Pronunciations, meanings and common vocabulary compounds are provided for each character in the group. Mnemonic clues are also given for the basic 92 hiragana and katakana phonetic symbols. A free audio CD helps you learn pronunciation for all of the characters and vocabulary in this book. The introduction explains the basic history and structure of the kanji. Key feature of this Japanese kanji book include: Hiragana and katakana phonetic symbols Easy-to-remember drawings and stories for ALL characters Thousands of vocabulary words Audio CD for pronunciation practice

Volume 2 (4th ed.) updated to include the 196 kanja approved in 2010 for general use.

This is an invaluable study guide for learning basic Japanese characters. The first 100 Japanese Kanji is intended for beginning students, or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise the written components of Japanese. This book presents the kanji characters that are most commonly used. They have been carefully selected for rapid and effective learning. Each kanji's readings, meanings, and common compounds are presented, and romanized pronunciations for English speakers (romanji) are included as well. Printed with gray guidelines, stroke order guides are designed to be traced over to teach students the standard sequence of strokes used to write each character. Three indexes at the back allow the characters to be looked up as with a dictionary or by their readings. Students who wish to practice writing kanji will find extra practice sheets available. This book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

A pictorial teaching resource based on the content of Textbooks I and II of the series Genki: an integrated course in elementary Japanese.
