Strategie Studies BOOK REVIEW GLOBALIZATION AND DEVELOPMENT STUDIES: CHALLENGES FOR THE 21st CENTURY Edited by Frans J. Schuurman Vistaar Publications, New Delhi, 2002.197 pages To quote Alvin Toffler, the author of Future Shock and the Third Wave. 'It has belatedly begun to dawn on people that the industrial age is at an end.'

GLOBALIZATION AND DEVELOPMENT STUDIES

The book provides a collection of papers which focus on key issues relating to globalisation and Development Studies and the inter-relationships which exist. I think that the chapter highlight important issues within Global Studies discourse and provide students with a sound understanding of the challenges at hand.

Globalization and Development Studies | SAGE India

Globalisation & Development Studies has always enjoyed a great diversity. In 2019/20, 39 students in this programme came from 16 different countries. The international character of the programme is further ensured by the international composition of its staff—originating, for instance, from Germany, US, South Africa and Ethiopia.

Why this programme? | Globalisation and Development ...

This programme is designed for those who want to understand global processes and development, and for those who want to work on, or analyse, development related tasks and issues. It is also highly relevant to anyone working, or intending to work, in development advocacy, policy making, and global development policy analysis, in the NGO sector, government agencies, and international development ...

MSc Globalisation and Development [2021 entry] at SOAS ...

Challenges of migrating and vulnerable populations, emerging and re-emerging diseases, humanitarian crises and unprecedented urban development need a multidisciplinary approach with sustainability at the heart of it. With 7 billion people on earth, and rising, how can we all live well without compromising the life support systems of our planet?

Why study Global Challenges? | The University of Edinburgh

We believe that business plays a significant role in providing solutions to the many local, national and global developmental challenges we face today, particularly during the age of globalisation. Based at IDS, you will examine the key elements of business operations and its growing relevance to international development.
