Looking at the Great Artists
Though several American
artists became well known in
the 19th century, it was
only in the 20th century
that the United States began
to have a major influence on
the international art world.

painter who was born in
1891. Her early work was
representational, but she
evolved into her signature
of work on canvas that is
characterized by shapes
color, rhythm and powerful
emotions.
