The authors then set out

to refute this paradigm

by showing how God is

using people from the

business world to fulfill

the Great Commission.

The authors define a

Company (or GCC) as
"a socially responsible,
income-producing
business managed by
kingdom professionals
and created for the
specific purpose
glorifying God and
promoting the growth
and multiplication of
local churches in the
least-evangelized and
least-developed parts of
the world."

Great Commission Companies The Emerging Role Of Business ...

Business as mission has
emerged as a significant
new model for mission

Online Library Great

in the twenty-first century. Today's globalized economy has created strategic opportunities for Christian business enterprises in some of the most unlikely corners of the world. In this landmark book, economist Steve Rundle and missiologist Tom Steffen offer their paradigm for the

Online Library

Great

convergence of business
and missions--the Great
Commission Company.

**Great Commission
Companies - LifeWay**

This updated edition of
Great Commission
Companies adds

welcome dialogue on
the basic definitions of
this still-new movement,
the things that unite and
divide it, and the huge

Online Library Great

potential in what he calls the 'promise and peril of kingdom business.' With new case studies, Rundle and Steffen expose us to even more applications of BAM which will, I think, encourage even more exploration and experimentation in the field.

Great Commission

Page 29/31

Online Library Great

Commission Companies -

InterVarsity Press

"The original publication of Great Commission Companies by Steve Rundle and Tom Steffen was a seminal breakthrough that stirred—no, catapulted—a whole new generation into an understanding of how Christian-led businesses can be used by God for

Online Library Great

kingdom building in a
hurting, needy world.

"This revised and
updated version is
equally powerful.
