Guess Who Character Sheets

Take the Paragon rules from Tremorworks. Add a gun toting cyborg, a fairy, a young girl who's a martial arts enthusiast and a guy with psychic powers. Place them in a world where they know they are characters in a game like world. A world populated by dragons, AI constructs, magic, and possibly a mermaid or two. Stir. This is the result. Jake, Clayton, Jaden and Rose Petal find that, for about the last hundred years or so, someone has been quietly abducting PCs around the world for unknown reasons. They have to find out who, and put a stop to it, because it seems they are next on the list to disappear. You are The Observer, brought by The Narrator to experience the story and make the character's existence possible. Inside this book you'll find a little humor, a little romance, a little gunplay, and a whole lot of adventure.

Hundreds of user-friendly lesson plans help teachers build attitudes of respect and caring, reduce problem behaviors, empower students to solve problems, and educate the whole child socially, emotionally, and academically. The lessons' literature-based connections allow teachers to "build in" rather than "add on" social-emotional learning (SEL) as part of the daily curriculum. Field-tested in classrooms across the United States, these activities when fully implemented have resulted in improved school climate, greater parent engagement,increased academic achievement, and reduction in discipline referrals. The Activities for Building Character and Social-Emotional Learning resource guides are essential teaching tools for all preK - 8 teachers.

Discover the link between physical activity and academic success! Research shows that regular physical activity helps children perform better in school. This inspiring book illustrates how to integrate movement within classroom instruction, ranging from short activity breaks to curriculum-enhancing games. Readers will find:
User-friendly, research-based information on how physical activity affects the brain
Hundreds of movement activities that can be easily implemented in the classroom, including many requiring two minutes or less
Discussion of how movement can contribute to classroom management and community
Case studies showing how combining physical activity and academics contributes to successful learning

The two issues of Phase 7 in this collection act as a companion volume to Alec Longstreth's graphic novel Basewood. Issue #020 includes all of the lyrics from Songs From the Basewood, a rock opera reinterpretation of Basewood by Andy Hentz and Alec Longstreth, as well as "The Making of Basewood." Issue #021 tells the story of the "Basewood Beard" that Alec grew during the last three and a half years of Basewood's creation.

Guess Who Character Sheets

Fantasy roleplayers often get deep into their games, but thirteen-year-old Keith Croft is about to take it to a new level. He's been invisible for seven years, smart but not working hard, athletic enough, but too lazy to excel. His parents are sorta cool, but only two weeks into his eighth-grade year, his friends are all busy with sports or projects and can't hang out. On the way home one day, he stops at a neighbor's yard sale and discovers a book for Crypts & Creepers that the lonely old woman says belonged to her granddaughter who disappeared without a trace. Days after he convinces his friends to try this bizarre game that doesn't require electronics, strange noises in his closet wake him. His increasing inability to focus on anything other than a girl who vanished before he was born-and his obsession with her NPC ranger-drives him to dig deeper into the past, searching for what really happened to her. By the time Keith realizes the Gamemaster's Codex holds something darker than rules within its pages, the curse that claimed the soul of a girl in 1987 has its claws in his group as well. Keith vows his friends will escape-even if he can't.

Virtual murder mystery games are online social events where participants act out a murder story and figure out which character is the killer.
