If historical culture is the specific and particular ways that a society engages with its past, this book

File Type PDF History Of Rpg Courses

aims to situate the professional practice of public history, now emerging across the world, within that framework. It links the increasingly varied practices of memory and history-making such as genealogy, podcasting, re-enactment, family histories,

File Type PDF History Of Rpg Courses

memoir writing, film-making and facebook histories with the work that professional historians do, both in and out of the academy. Making Histories asks questions about the role of the expert and notions of authority within a landscape that is increasingly

concerned with connection to the past and authenticity. The book is divided into four parts: 1.

Resistance, Rights, Authority 2.

Memory, Memorialization,

Commemoration 3. Performance,

Transmission, Reception 4. Family,

Private, Self The four sections
