Cicero and the Secrets of Persuasive Oratory Bill Gaede on the causes of autism and homosexuality Homo Britannicus The Incredible Story

Synopsis. "Homo Britannicus" tells the epic history of life in Britain, from man's very first footsteps to the present day. Drawing on all the latest evidence and techniques of investigation, Chris Stringer describes times when Britain was so tropical that man lived alongside hippos and sabre tooth tiger, times so cold we shared this land with reindeer and mammoth, and times colder still when we were forced to flee altogether.
