AstraZeneca, works at protecting people from Covid-19.

How do you get away with the murder of 11 million people? The answer is simple—and disturbing. You lie to them. Learn how you can become an informed, passionate citizen who demands honesty and integrity from your leaders in this updated and expanded edition of the original New York Times bestselling book. In this updated and expanded nonpartisan New York Times bestselling book,

Andy Andrews emphasizes that seeking and discerning the truth is of critical importance, and that believing lies is the most dangerous thing you can do. You'll be challenged to become a more careful student of the past, seeking accurate, factual accounts of events that illuminate choices our world faces now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. This thought-provoking book poses

questions like: What happens to a society in which truth is absent? How are we supposed to tell the difference between the "good guys" and the "bad guys"? How does the answer to this question affect our country, families, faith, and values? Does it matter that millions of ordinary citizens aren't participating in the decisions that shape the future of our country? Which is more dangerous: politicians with ill intent, or the too-trusting population that allows such people to lead them? This is a wake-up call: we must become informed, passionate citizens or suffer the consequences of our own

It all comes down to the truth. Much like the character in one of his best-selling books, Andy Andrews is first and foremost a Noticer. Sometimes, all one needs is a little perspective and Andy has been providing that perspective to some of the world's most influential companies and organizations for the last 20 years. His ability to transform an individual by their own understanding and desire has made him loved by millions. Now, Andy Andrews brings his lessons and perspective into the important arena of government, citizenship, and what it means to completely uphold the truth. If the truth is

what sets us free, what does it mean to live in a society where truth is absent? How do truth and lies in the past shape our destiny today? Through the lens of the Holocaust, best-selling author Andy Andrews examines the critical need for truth in our relationships, our communities, and our government. In this compact, nonpartisan book, Andrews urges readers to be “careful students” of the past, seeking accurate, factual accounts of events and decisions that illuminate choices we face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933

and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. The future of our country rests on the ability to separate the truth from lies, and Andrews compels each of us to examine our leaders' claims with a critical eye. His question—how do you kill eleven million people?—is provocative, but his warning is clear: “Only a clear understanding of the answer to this question and the awareness of an involved populace can prevent history from continuing to repeat itself as it already has, time and again.”

difference between the two parties remains the subject of safety. As the Democrats continue to project an image of confusion and pacifism, even in the face of increasingly vicious terrorist activity in the Middle East, more Americans trust the GOP to be ruthless in killing terrorists. From "security moms" to neo-Jacksonian bloggers, people across the country are confronting the post-9/11 era with white-knuckle anger and relentless determination. Voting to Kill captures this zeitgeist, showing why terrorism was the defining issue in 2002 and 2004, and will be in 2006 and 2008, as
