A good rule of thumb with dirty talk is to tell your partner what you want to do to them/with them before you're actually doing it, and then, while you're doing it, specifically describe what it is you like about it. This is especially crucial if your partner is a woman. Women, in particular, are often aroused through the imagination.

Talk Dirty, memory, and desire are some of the most powerful driving forces behind everything we do behind closed doors. Studies have shown that by the time you actually get physical with your partner, your mind has been leading up to the encounter. So why not go for the dirty talk? It's been in the back of your mind all day anyway! According to Aline P. Zoldbrod, PhD, the author of more than a few books on naughtiness, sexy talk with your partner not only revs up play between the sheets, but enriches your life in ways you never would have imagined. It makes your partner feel good
