The claim is basically the title of the show: I Can Make You Thin. Paul McKenna claims that if you follow his tips and tricks that your body will automatically get down to its natural, healthy weight, without dieting, and without the pain and suffering that usually accompanies traditional dieting methods. By tapping into the neuro-pathways in your brain, he claims to be able to reroute long held beliefs and behaviors that are holding you back from having the body you want.

~~Does I Can Make You Thin Really Work? - Does It Really Work?~~

I CAN MAKE YOU THIN is a reality/talk show designed to change the way people think about food in order to help them lose weight. Star Dr. Paul McKenna is a popular British self-help author and hypnotist who has developed a plan for shedding pounds based on "4 Golden Rules": eating when hungry, eating what you want, eating consciously, and stopping when full.
