This post ended up being so much longer than I expected! I think I got lost in a research vortex. Our feature book to introduce our study was If You Sailed on the Mayflower in 1620 by Ann McGovern, but the amount of information available to expand on the book, as usual, was overwhelming. There were so many books I wanted to use to introduce our study on Pilgrims, but this one seemed ...

Please don't do it, I say. 'cause if you don't love me it's worthless anyway. Please don't trouble yourself You'll only go away in the end. Please don't follow the world that commands 'cause what's the point in that I keep hoping that all of your plans Will follow through Like two ships passing in the night We're gone Only the moon and the stars in the sky Did know to cry for me as I sailed on.

Questions and answers describe the voyage of the Mayflower and the Pilgrim's first year in the New World.

Orphaned Julia never expected to be sent away, especially not to the ill-named House of Mercy. But adventure awaits her in this historical journey, based on a true story. " Go home, " eleven-year-old orphan Julia Delaney is told, but home for her is gone. Spirited and strong, Julia faces a cruel life at an orphanage—the House of Mercy—blistering cold winters, and countless disappointments. But not even hopeful Julia can imagine what awaits her in Montana—and with the help of a miracle or two, she sets the sun a-sailing. Like the heroines of the beloved American Girls series, Julia ' s journey paints a vivid picture of United States history. Based on the true story of a real girl, with additional details explained in an Author ' s Note, The Year We Sailed the Sun is historical fiction at its best.

In 1965, 16-year-old Robin Lee Graham began a solo around-the-world voyage from San Pedro, California, in a 24-foot sloop. Five years and 33,000 miles later, he returned to home port with a wife and daughter and enough extraordinary experiences to fill this bestselling book, Dove.

Meet Monique! In this true story, online phenomenon Guirec Soud é e shares his adventures both unbelievable and heartwarming, sailing around the world with his brave, affectionate red hen, Monique. Monique is a highly accomplished chicken: she surfs, she skateboards, and she just crossed the world on a tiny boat with her human companion, Guirec, who helped steer. On their three-year journey, together they were unstoppable. When they became stranded in the ice off Greenland for four months, Monique, unruffled as always, kept Guirec alive with her eggs-- and they both made it home. Guirec and Monique are irresistible as unlikely comrades and friends taking on the world, and Guirec documented their journey with his remarkable, comical photographs. A deeply touching portrait of the real-life bond between animals and the humans who love them as well as a thrilling survival story, The Hen Who Sailed Around the World is an adventure for the ages.

From food to fashion, this colorfully illustrated picture book explores the ways in which people of different social classes lived one hundred years ago in New York City. Original.

Sailing Made Easy is the first step in a voyage that will last you the rest of your life. It is a gift from a group of dedicated sailing professionals who have committed their lives to sharing their art, their skill, and their passion for this wonderful activity. This book, which Sailing Magazine called "best in class" upon its release in 2010, is the most comprehensive education and boating safety learn-to-sail guide to date. It is also the official textbook for the ASA Basic Keelboat Standard (ASA 101). Incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts. The text ' s most distinguishing feature is its user friendly "spreads" in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.

This behind-the-scenes study of the Constitutional Convention of 1787 details the events of the convention, the debate over constitutional issues, and the delegates

Adventure, friendship, and magical realism come together in this heartwarming, whimsical story. Perfect for fans of A Snicker of Magic and The Penderwicks. When Oona Britt was born in the magical town of Nordlor, where all of the homes are built from wrecked ships, her parents never expected her to be a girl. Having listened to a faulty prediction from a washed-up soothsayer, they were promised a "bold and brave son," so as the youngest of seven sisters, Oona's birth became a disappointment -- especially to her sea captain father, who doesn't believe there's a place for girls aboard ships. But Oona is different from the rest of her family. She longs for adventure and knowledge. So she steals aboard her father's ship just as he's about to set sail for his annual winter whale hunt, and suddenly finds herself in the midst of a grand adventure! The ship has its own sea cat, Barnacles, and a navigator named Haroyld, who show Oona how to follow the stars. But for all that, Oona's father is furious. Can she prove to him that she's worth his love and pride, even though she's not the bold and brave son he was promised? This follow-up to The Boy, the Bird & the Coffin Maker carries just as much heart and charm as Matilda Woods's first novel. The characters, story, and illustrations will dazzle readers. Praise for The Girl Who Sailed the Stars: " Woods's intoxicating mix of whimsical details and taut adventure will keep [readers] enrapt." --Booklist, starred review "A richly imaginative fantasy that brings to mind Joan Aiken's Wolves Chronicles with a dash of Roald Dahl . . . Strong world-building joins lyrical prose and a fine leavening of humor, adventure, and magic, to make a winning combination." --SLJ Praise for The Boy, the Bird & the Coffin Maker: " Woods has penned a gentle fable, one rich in hope that promotes the strength of kindness. Her magical realism nods to the like of Isabel Allende and Gabriel Garc í a M á rquez, perfectly tailoring the genre for a middle-grade audience. Anuska Allepuz's whimsical illustrations add to the magical feel. Sweet, earnest and not to be missed." --Shelf Awareness, starred review " Elegantly told from start to finish and enhanced by Allepuz's evocative images and decorations, debut author Woods has created a fairy tale that will linger with readers." --Publishers Weekly, starred review " This uplifting book will enthrall readers, enveloping them in its gentle charm." --Booklist, starred review

" One day, on tearing off some old bark, I saw two rare beetles, and seized one in each hand; then I saw a third and new kind, which I could not bear to lose, so that I popped the one which I held in my right hand into my mouth. " At the age of 22 Charles Darwin clambered up the steps of HMS Beagle, armed with enough notepads to last him for several years and set sail on a journey of exploration that would change his life and how we view the entire world forever. This book tells the story of Charles Darwin, and shows how his revolutionary research changed the world forever. From his fascination with the natural world which began at an early age, his love of collecting new specimens and keen eye for observation, to his groundbreaking theory of evolution, uncover the incredible life of Charles Darwin with this beautifully illustration narrative non-fiction book. Published to celebrate the 200th anniversary of the launch of the HMS Beagle, this is the perfect book for any child who has ever looked at the world and asked ' why ' .
