Anthony Pagden. In God's Name. by David Yallop. Cape, 334 pp., £9.95, June 1984. 0 244 02089 2. Show Transcript. Show All. He died, one Jesuit said, 'like a flower in the field that closes at night'. Some time in the evening of 28 September 1978 Albino Luciani, Pope John Paul I, abandoned his tenure of the throne of St Peter.

Only thirty-three days after his election, Pope John Paul I,Albino Luciani, died in strange circumstances. Almost immediately rumours of a cover-up began to circulate around the Vatican. In his researches David Yallop uncovered an extraordinary story: behind the Pope's death lay a dark and complex web of corruption within the Church that involved the Freemasons, Opus Dei and the Mafia and the murder of the 'Pope's Banker' Roberto Calvi. When first published in 1984 In God's Name was denounced by the Vatican yet became an award-winning international bestseller. In this new edition, Yallop brings the story up to date and reveals new evidence that has been long buried concerning the truth behind the Vatican cover-up. This is a classic work of investigative writing whose revelations will continue to reverberate around the world.

What's wrong with Football today? In June 2011, Sepp Blatter was elected - uncontested - as president of Fifa once more. Despite attempts to halt the vote amidst allegations and accusations of corruption, the show went on. As How They Stole The Game, David Yallop's classic expose of the dark heart behind the beautiful game showed when it was first published, Football was rotten from the top down. In the book Yallop reveals the story of João Havelange, Fifa President from 1974 to 1998, the Godfather of football, and how he turned a religion to millions of fans into a multi-billion dollar business, riven with suspicious deals and unexpected payments.

The Murder Case that Shook a Generation On 2nd November 1952, two teenagers were trapped by police on a warehouse roof. In the course of what the national press were to describe as 'a Chicago-style gun battle', P.C. Sidney Miles was shot between the eyes and died. 16-year-old Christopher Craig and 19-year-old Derek Bentley were subsequently arrested and sent to trial. They came to personify the disaffected youth of post-war Britain, but Derek Bentley became much more. His story and ultimate fate are unique in the annals of criminal history. Originally published in 1971, and the subject of a controversial television play, To Encourage the Others dramatically re-opens a case which still demands that justice be done. There are many reasons why David Yallop is considered the world's greatest investigative author. To Encourage the Others is one of them: as powerful an argument against capital punishment as has ever been published.

Contents that the death of Pope John Paul I was not due to natural causes. Presents a portrait of his life and the motives of six men who may have feared him.

Coinciding with Pope Benedict XVI's state visit to the UK in September 2010, David Yallop, author of In God's Name, looks at the current news stories concerning widespread child abuse by priests and shows how the Vatican is not telling the full story. Praise for In God's Name: 'A thriller without an ending...Yallop has surely proved there is a case to answer.' - Guardian 'An astonishing book...a story of corruption, lies and disinformation.' - Daily Mail 'Excellently done ... An engrossing and disturbing book' - Economist

On 17th June, 1970, in a small farming district, south of Auckland, New Zealand, Harvey and Jeanette Crewe were shot and killed in the lounge of their home. Five months later, a neighbour, Arthur Allan Thomas, was arrested, charged and found guilty of their murder. He was sentenced to life imprisonment. A retrial in 1972 ended with another guilty verdict. David Yallop, author of To Encourage the Others and The Day the Laughter Stopped, two already celebrated books which dealt with miscarriages of justice, spent over a year in New Zealand investigating the case and became convinced of Thomas' innocence. In an open letter to New Zealand's Prime Minister, he demanded Thomas' release on the grounds that he 'has not been found guilty beyond reasonable doubt. He has in fact been found innocent beyond reasonable doubt.' In 1978, as a direct result of Yallop's intercession and the publication of this book, Thomas was granted a royal pardon and, in 1980, awarded nearly 1 million dollars in compensation for the nine years he had served behind bars. Beyond Reasonable Doubt? is both a riveting work of high drama and a compelling insight into the machinery of criminal justice. A Number One bestseller in hgardcover and the subject of a widely-acclaimed film, it is a lasting testimony to David Yallop's reputation as the world's greatest investigative author.

In 1978, driven by Paul VI's encyclicals Populorum Progressio and Liberation Theology, there were two fronts on which the CIA was confronted by communism as a free democratic society, Italy and Central America. If Italy fell to communism, all of Europe would surely follow. If Central America fell to communism, all of Latin America would surely follow. It was in these parts of the world communism was raising its ugly head as the will of the people that was so very dangerous to the United States and its capitalistic allies. Henry Kissinger sounded the alarm, "Domination by Moscow is not the issue. Communist control of Italy and Central America is the issue. It would have terrible consequences for the United States and is the number one threat to its national security." On the afternoon of March 13, 1978, fourteen men sat around a table in a sidewalk caf in a mountain village in northern Italy. In casual clothes they went unnoticed though one was the reigning Pontiff and another Aldo Moro. Included were Italian cardinals who had been behind the rise of the Communist Party in the polls in Italy. The others were cardinals of impoverished parts of the world. Together they comprised the core of the Marxist movement in the Church. They left at four o'clock and Aldo reserved the table for next year..... On March 13, 1979, Cardinals Benelli and Felici decided not to travel to Vittorio Veneto that day. After all, all the others were dead. They, themselves--unaware of their impending doom--were, too, as good as dead.

The murders, the arrest, the trial. First world publication of the full story, David Yallop is the investigative writer whose previous books, including the bestselling To Encourage the Others and Beyond Reasonable Doubt?, have solved four murder mysteries. In this, his new book, he turns to the most infamous murderer in the world today - the Yorkshire Ripper. This is the story of a man who killed his women victims with grotesque cruelty. Who eluded one of the greatest hunts in history. And it is the story of the numbing fear that gripped northern England where, if you were a woman, you might suddenly die a violent and obscene death. Following two years intensive research with police officers, the victims' relatives, pathologists, and many others, David Yallop has produced an investigative account of murder that captures in full the evil reality of the man they called the Yorkshire Ripper. And, most remarkable of all, he identified before the arrest where the solution to the murders lay.

An inquiry into the death of Pope John Paul I, the Smiling Pope, the investigation uncovering lies, half-truths and neglect within the Catholic church. The author has written two novels, and his last book Earth to Earth won the Crime Writer's Association Gold Dagger Award.

John Paul II and the dark heart of the Catholic Church... In 1984 David Yallops In Gods Name changed the way that the world looked at the Vatican. In The Power and The Glory David Yallop returns to Rome with another explosive story: the true history of the papacy of John Paul II. From the first moment of his papacy, Karol Wojtyla sought political influence and a role on the world stage. At the dawn of the twenty-first century, he was a leader to millions of Catholics at a time of tremendous change. Promising a renewed church, he was the first media Pope and travelled around the world to preach his message. It is said that he was central in the fall of Soviet Eastern Europe, in particular within his own homeland of Poland. But has the real truth of this Papacy been revealed? The Power & the Glory explores the continued financial scandal involving the Vatican bank, the mafia, Freemasonry, illegal money laundering and arms sales. Exposes the true extent of the Pope's failure to control the child abuse scandal. Contains explosive revelations from the CIA, the KGB, the Polish secret service and the most secretive place on earth, the Vatican itself. Tells for the first time John Paul II's real involvement in the fall of the Iron Curtain and the liberation of Poland. Uncovers the myth of the Holy Alliance between Reagan's America and the Vatican.
