Award-winning historian Mary Beth Norton reexamines the Salem witch trials in this startlingly original, meticulously researched, and utterly riveting study. In 1692 the people of Massachusetts were living in fear, and not solely of satanic afflictions. Horrifyingly violent Indian attacks had all but emptied the northern frontier of settlers, and many traumatized refugees—including the main accusers of witches—had fled to communities like Salem. Meanwhile the colony's leaders, defensive about their own failure to protect the frontier, pondered how God's people could be

Download Free In The Devils Snare The Salem Witchcraft Crisis Of 1692

suffering at the hands of savages. Struck by the similarities between what the refugees had witnessed and what the witchcraft "victims" described, many were quick to see a vast conspiracy of the Devil (in league with the French and the Indians) threatening New England on all sides. By providing this essential context to the famous events, and by casting her net well beyond the borders of Salem itself, Norton sheds new light on one of the most perplexing and fascinating periods in our history.

A vivid historical chronicle evokes the spirit of late seventeenth-century Massachusetts in an incisive study of the Salem witch trials, discussing the events, the crucial turning points in the case, the accusers and accused, the confessors, and the judges, setting it all against the backdrop of the social, cultural, and political atmosphere of the period. 15,000 first printing.

The Salem Witch Trials is based on over twenty-five years of archival research--including the author's discovery of previously unknown documents--newly found cases and court records. From January 1692 to January 1697 this history unfolds a nearly day-by-day narrative of the crisis as the citizens of New England experienced it.

This book provides an engaging re-examination

of the Salem witch trials of 1692.

"A pioneer work in...the sexual structuring of society. This is not just another book about witchcraft." —Edmund S. Morgan, Yale University
Confessing to "familiarity with the devils," Mary Johnson, a servant, was executed by Connecticut officials in 1648. A wealthy Boston widow, Ann Hibbens was hanged in 1656 for casting spells on her neighbors. The case of Ann Cole, who was "taken with very strange Fits," fueled an outbreak of witchcraft accusations in Hartford a generation before the notorious events at Salem. More than three hundred years later, the question "Why?" still haunts us. Why were these and other women likely witches—vulnerable to accusations of witchcraft and possession? Carol F. Karlsen reveals the social construction of witchcraft in seventeenth-century New England and illuminates the larger contours of gender relations in that society.

Summer. The New Forest. A child alone in a holiday caravan. When her parents return, she's gone. Two years later the Barbers are still searching for their daughter. But are they faking? The police say yes. Likewise a dangerous vigilante. If the law can't touch the "Killer Couple" then he'll bring justice his own way. Investigator Eddie Flynn steps in to protect the Barbers and to search for their child. But it's not only the vigilante

Flynn must battle. He's in a race with the tabloids to get to the truth about the missing child. And the more Flynn unearths, the more he senses that his clients are hiding an unpalatable truth. Eddie Flynn, the irrepressible P.I. from Behind Closed Doors is back - on another job he should never have touched.

Two strangers unite to avenge their families' murders in this gripping new installment of bestselling author Ralph Compton's Gunfighter series. The grisly murder of Glendon Hart and his family conveniently paves the way for a wealthy Amity Creek rancher to expand his empire of pastures and cattle. But the arrival in town of Glendon's sister, Myra, throws a spanner in the works when she refuses to bow to Jack Denton's increasingly intimidating demands to sell him her homestead. Sixteen years earlier, on a snow-locked Nebraska farm, a band of outlaws executed Ethan Harper's family before his young eyes. Ethan vowed bloody revenge against the men responsible, and after years of searching the trail has brought him to Amity Creek, where he and Myra gradually discover they share a common enemy, an elusive villain with a trio of murderous minions to do his bidding. Together, they must devise a plan to lure Denton into a deadly trap—and send the devil back to hell...

There are many 'modern' sins ensnaring more

and more people everyday. Some are blatant, but many are secret, quickly seducing the participant into behavior that separates them from God. Popular pastor and author Erwin Lutzer exposes Satan's seven most common 'traps,' warning readers and giving them hope for liberation from these forms of bondage. Addressing greed, gambling, alcoholism, pornography, sexual freedom, pleasure, and occultism, Lutzer takes on tough and sensitive issues with great compassion and clarity.

Sometimes the living need the dead to survive. Psychic Charlie Payne has been busy raising her son, helping the local deputy solve the worst of his cases, and accepting her birthright as a witch. When her cousins suggest combining a girl's week in the mountains with her induction into their coven, she jumps at the chance for a break. But her vacation turns into a nightmare when Charlie encounters the spirit of a young woman who is definitely not looking to move into the light. When this ghost sets her sights on Charlie, she won't stop until she gets what she wants. And if she succeeds? It may cost Charlie more than her life. Devil's Snare is the third book in The Witches of Palmetto Point series. A spine-tingling supernatural suspense that will have you clinging to the edge of your seat.
