In the fully updated Seventh Edition of *Intercultural Communication: A Contextual Approach*, bestselling author James W. Neuliep provides a clear contextual model (visually depicted by a series of concentric circles) for examining communication within cultural, microcultural, environmental, sociorelational, and perceptual contexts. Students are first introduced to the broadest context—the cultural component of the model—and progress chapter by chapter through the model to the most specific dimensions of communication. Each chapter focuses on one context and explores the combination of factors within that context, including setting, situation, and circumstances. Highlighting values, ethnicity, physical geography, and attitudes, the book examines means of interaction, including body language, eye contact, and exchange of words, as well as the stages of relationships, cross-cultural management, intercultural conflict, and culture shock.

An Introduction to Intercultural Communication equips students with the knowledge and skills to be competent and confident intercultural communicators. Best-selling author Fred E. Jandt guides readers through key concepts and helps them connect intercultural competence to their own life experiences in order to enhance understanding. Employing his signature accessible writing style, Jandt presents balanced, up-to-date content in a way that readers find interesting and thought-provoking. The Tenth Edition gives increased attention to contemporary social issues in today's global community such as gender identifications, social class identity, and immigration and refugees.

This text addresses the core issues and concerns of intercultural communication by integrating three different perspectives: the social psychological, the interpretive, and the critical. The dialectical framework, integrated throughout the book, is used as a lens to examine the relationship of these research traditions.

Featuring several all-new chapters, revisions, and updates, the Second Edition of *A Cultural Approach to Interpersonal Communication* presents an interdisciplinary collection of key readings that explore how interpersonal communication is socially and culturally mediated. Includes key readings from the fields of cultural and linguistic anthropology, sociolinguistics, and communication studies Features new chapters that focus on digital media Offers new introductory chapters and an expanded toolkit of concepts that students may draw on to link culture, communication, and community Expands the *Ethnographer's Toolkit* to include an introduction to basic concepts followed by a range of ethnographic case studies

It is now widely recognised that learning a language should not just involve linguistic competence but also intercultural competence. It is also clear that intercultural competence can be developed through related subjects such as geography, history, mother tongue teaching. This book takes this as a given and provides practical help for teachers who wish to help their learners acquire intercultural competence in the ordinary classroom. It contains
