What is International  
Marketing?

International marketing is simply the application of marketing principles to more than one country. However, there is a crossover between what is commonly expressed as international marketing and global marketing, which is a similar term. For the purposes of this lesson on international marketing and those that follow it, international marketing and global marketing are interchangeable.

What is International  
Marketing?

International Marketing is defined as the performance of business activities designed to plan, price, promote, and direct the flow of a company's goods and services to consumers or users in more than one nation for a profit. The only difference between the definitions of domestic marketing and international marketing is that in the latter case, marketing activities take place in more than one country.

What Is International  
Marketing? In simple terms,  
international marketing  
means making decisions for  
your marketing mix based on  
potential markets outside of  
your company's home market.  
Some would call it the  
coordination of marketing  
strategies by a company that  
are necessary to sell goods  
or services in a foreign  
marketplace.
