Today's dynamic business world presents managers with an array of complex and exciting challenges, such as globalisation, workforce diversity and scarce resources. The best-selling Introduction to Business Management prepares students to meet these challenges. A pragmatic approach is followed in this text: principles, concepts and theories are richly illustrated with practical South African examples. The sixth edition has been extensively revised to keep abreast of recent developments inthe South African environment.

The world is in a constant state of flux, and this influences the operations of every business and organisation. Business Management: A Contemporary Approach deals with these changes by covering the functions of a business or an organisation and then addressing the contemporary issues that affect them. These issues include globalisation, corporate entrepreneurship and citizenship, credit, diversity and HIV/AIDS. Every student of business and business manager needs to understand the importance of these issues and their influence on the operations of a business. Business Management: A Contemporary Approach also highlights the interdependency between the various business functions. This interdependency is very important for a business or organisation to operate as a whole.

Business Management for Entrepreneurs introduces entrepreneurs and managers of small and medium-sized businesses to all the functions needed to manage these organizations successfully. This is an essential guide to the small business management competencies that are essential for the success of a smaller business.

Contains information on: Economic systems ; Entrepreneurship ; Productivity ; Planning ; Marketing ; Public relations.

This book introduces learners to the fundamental concepts of strategic management of a small business, in the context of increasing globalisation. The text is designed to provide learners with the tools to analyse, formulate and implement strategies that will enhance the performance of any small business.

South Africa is well positioned to capture an increasingly large share of the international travel and tourism market. This book provides an introduction to the marketing of travel strategy market segmentation, marketing research and marketing planning.

Contains information on : Economic systems ; Entrepreneurship ; Productivity ; Planning ; Marketing.
